Note: This installation instruction is good for all LGS models.

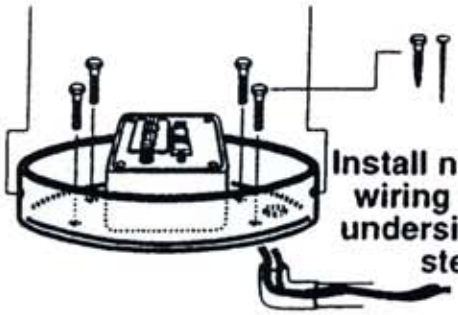
OVALESQUE

CONE

OCTAGON

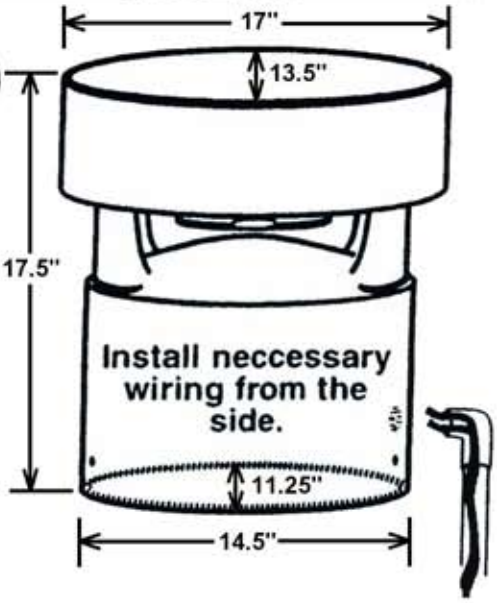
LGS100 **LGS300** **LGS400**

1 Install Garden Speaker base to ground media using proper hardware.
(MOUNTING HARDWARE NOT INCLUDED)

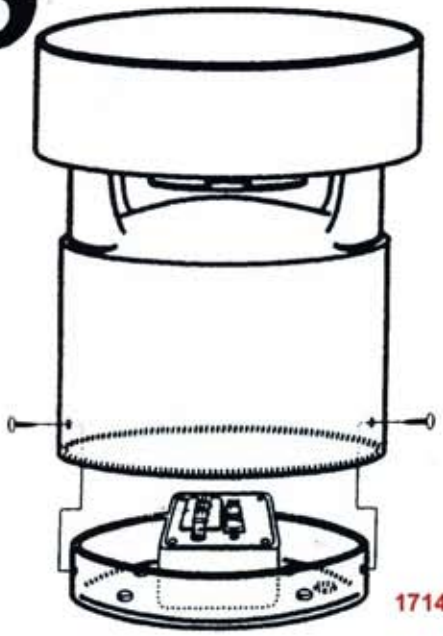


Install neccessary wiring from the underside or see step 2.

2



3



Install Garden Speaker upper section onto base. Connect speaker wires and test unit. Insert mounting screws supplied with speaker into pre-drilled holes and tighten.

4 Check all wiring connections and your Landscape Garden Speaker is ready.
